**PERFECT CARGO SERVICES LLC**

Perfect Cargo Services is a reliable freight forwarding company specialized in freight forwarding, custom clearance, warehousing and all the related activities. Located in ABU DHABI, UAE, we are one of the best in providing end to end logistics, warehousing and distribution solutions to clients who are in the import-export business.

Perfect Cargo Services always 'sees a race against the clock with logistics'. We see how we get the cargo on the vessel that best suits our customer's needs, hassle free, safe and at the most competent rates.

Since inception, Perfect Cargo Service has grown to establish a niche in the highly competitive shipping industry. Empowered by a highly experienced and committed team of professionals, we constantly work towards achieving customer satisfaction. Safety of the cargo is given utmost importance and prompt delivery schedules are maintained at all times. Equipped with state-of-the-art facilities and abreast of the needs of the trading community, we keep ourselves ready for all challenges. Our strategic association with various agencies and service providers adds to the smooth ride of our cargos.

**Our  
Vision**

*To be a logistics service provider that delivers integrated and innovative logistics solutions to ensure customer satisfaction.*

**Our  
Mission**

*To provide tailor made services to the clients and be a value added business partner.*

# This is what we do...

AIR  
FREIGHT

SEA  
FREIGHT

ROAD  
FREIGHT

WARE-  
HOUSING

CUSTOM  
CLEARANCE

...and we know it inside and out.

A provider of global integrated logistics services, we combine our strengths in sea, air and road with best customs clearance and warehousing capabilities to maximize your productivity and keep your cost to minimum.

Perfect Cargo Services not merely gets your shipment at your destination but also help your company realize its international shipping potential through personalized service, through attention to detail, and a creative and knowledge driven approach to finding solutions.

## AIR FREIGHT

Your logistics needs are at the heart of our business, whether you need to move your most complex cargo across continents, or even the smallest of consignments, PERFECT CARGO SERVICES is for you.

With an extensive global network, service routes and key gateways, supported by our close carrier relationships, we deliver on-time shipments. With a team of industry experts specialized in Air Cargo Services we can offer the best services at competitive prices.

Our experts understand the time sensitive nature of air shipments and ensure excellent co-ordination between the documentation department and the clearance department for the smooth movement of the cargos. Our customer's shipments are personally monitored all the way through to the destination.

### Air-Freight Services:

- Air freight import and export
- Sea/Air and Air/Air shipments
- Air chartering - Split and full charter
- Air consolidation services
- Hazardous and perishable cargo handling
- Door-to-door services/ port-to-port/ door-to-port

## SEA FREIGHT

PCS is well-versed in the consolidation of small quantity cargo and container loading. This expertise combined with our skilled and experienced staff allows us to give each shipment the full attention it requires, and transport client cargo cost-effectively.

PCS monitors the clients cargo at all times, allowing our staff to prepare and complete the necessary documentation in time for the ship's arrival or departure.

However, our work does not end with the arrangement of the inland and overseas transportation of freight and issuing the required bill of lading. We design route plans that are both convenient and make economic sense and our network of agents see to it that cargo clearance at respective ports is smooth and trouble free.

### Sea-Freight Services:

- FCL and LCL Export & Import
- Cross trade
- Transportation of empty/loaded containers, cargo vehicles
- Services in hospitality, auto & exhibition cargo logistics
- Break-bulk and oversized cargo loading solutions
- Non-containerised load/special equipment
- Combined air-and sea freight services
- Port & customs clearance and documentation handling
- Customs brokerage services

# ROAD FREIGHT

Perfect Cargo Services also specializes in Road Freight. We deliver full-service solution to cover all of your land cargo transport and logistics needs. To best support our customer's ever changing logistics needs we are continuously evolving our own transportations systems.

We provide shortest transit time from the shipper's facility to the consolidation point. All the consignments are closely monitored from start to finish and ensure that they reach the right address at the right time. This has enabled us to become one of the most sought-after freight companies.

From departures to door-to-door delivery, we offer a comprehensive, highly dependable platform that functions smoothly with utmost efficiency and speed.

## Road-Freight Services:

- Heavy, over length cargo and large single shipments.
- Cross Border Transportation across GCC Countries including customs clearance
- Domestic transportation within UAE
- Full Truck load & LTL Shipments
- Own and outsourced fleet of trucks
- Container transport
- Parcel Shipments
- Accurate Freight Tracking

# WAREHOUSING & DISTRIBUTION

We understand that warehousing is a key element of the supply chain and it primarily aims to control all the movement and storages. PCS offer secure warehousing facilities at strategic locations.

PCS is well equipped with fully automated warehouse for consolidating and holding shipments and bulk goods, short and long term under the care of a logistics control and inventory management team. An efficient Warehouse management gives a cutting edge to retail chain distribution. Our team with excellent experience in warehousing provide a hassle-free service. We at PCS identifies the customer needs and provide them ample warehousing space and enable them to effectively manage their inventory without being constrained by limited space at their facility.

PCS warehouse facilities also enables our international clients to store their valuable commodities cost effective, until needed by their domestic clients and thereby avoiding the long delays in deliveries.

## Logistics Services:

- Flexible Storage Solutions
- Stock control & Inventory Management
- Cross—docking and trans-loading
- Bonded, Refrigerating Storage Warehouses
- Load building & Tailor-made service
- Processing Free Zone customs importation

## CUSTOM CLEARANCE

Customs Clearance is a very sensitive issue for most of the Importers and Exporters, which needs to be taken care by experienced professionals in this field. With years of experience, we are quite good at handling the cumbersome matters of customs clearance and documentation and dealing with other regulatory and enforcement authorities. Over the years, we have built a good association with these regulatory authorities and our team comprises of experts on the rules and regulations.

Moreover, we have located our operating staff at company owned import-export cargo handling facilities in major ports and air ports in UAE. PCS have the core strengths for handling documentations, procurement and processing in various fields, resulting, savings in undue cost and timely delivery after smooth clearance.

### Custom Clearance Services:

- Custom Documentation
- Bonding / Ex-Bonding of Consignments
- Carting / Receiving goods
- Customs Clearance under High Seas Sales
- Re-Export / Re-Import Customs Clearance
- Examination of shipment
- Handling of stuffing and De-stuffing at ports

## OUR CLIENTS' SATISFACTION

Customers are the life line of any business, we strive towards strengthening our customer relationships and developing new ones. We have earned the trust and goodwill of our big clientele spread across the nation with our rich and vast experience in freight forwarding / logistic support, and quality service. By integrating our expertise in cargo forwarding and other related matters including custom clearance and documentation, we save our clients a lot of time, energy and of course cost. Most importantly, we give our clients peace of mind and value for money.

We also highly value the feedback from our customers and they are accepted graciously and positively to enhance our performance.
